

DOES THE DIRTY WORK!

- Innovative design and features allow the customer to select the exact finishing texture of their bowling ball
- Works equally well with all types of coverstocks... Reactive, Particle, Urethane, and Polyester
- Special Surface Factory cleaner safely removes oil and dirt from deep within the pores
- Compact design takes up very little floor space
- With four high-impact wheels, it can be easily moved at any time
- Keep your customers happy and your business profitable with the new Storm Surface Factory
